IF YOU HAVE AN ALLERGY please inform our team before ordering, or preordering, so that we can take additional reasonable steps to minimise the risk of allergen cross-contamination. However we cannot guarantee any item is allergen-free.

Our online allergen guide, detailing details of every dish on this menu and the 14 key allergens, is available on our website (where we keep it so that it is always as up to date as possible). Even if you have visited us before please check online as suppliers and recipes are subject to change which can affect the allergens. Find it by scanning the QR code or visiting thethrockmorton.com/allergens (if you cannot access the internet we will be happy to provide you with the information)

As our food is mainly homemade in our multi use kitchen (which handles all of the 14 key allergens), and suppliers of prepared foods vary, all food may contain traces of any of the 14 key allergens.

All weights stated are approximate uncooked weights. Game may contain traces of shot. Fish may contain traces of bones, even if stated as boneless.
